The mission of 100 Black Men of Atlanta, Inc. is to improve the quality of life by supporting and enhancing educational and economic opportunities particularly for African-American youth in the Atlanta community. A non-profit organization, The 100 provides college preparatory services and mentorship to at-risk Atlanta youth. Civic-minded members dedicate their time and talent as mentors to help boys and girls break the cycles of poverty, under-achievement and violence that plague their communities, thus enabling them to seek their highest potential. Since its inception in 1987, 100% of the students who complete Project Success, the organization's flagship program, have graduated from high school and 80% have graduated from college in four years, far outpacing the national averages. Project Success is a nationally recognized post-secondary preparation, tuition assistance, and mentoring program for Atlanta Public Schools (APS) students whereby the 100 Black Men of Atlanta provides tuition-assistance scholarships for all Project Success students who graduate from high school.
